RONNEL CASTRO

BS Information Technology Student | OJT / IT Support Intern

+63 9281851274 | ronnelcastro3185@gmail.com | 1961 Dapitan st. Pasay City, Metro Manila

OBJECTIVE

A 4th-year BS Information Technology student seeking an On-the-Job Training opportunity in IT Support, Network Administration, or IT Infrastructure. I want to apply my basic knowledge in computer troubleshooting, networking, Windows, and technical support while learning from IT professionals in a real workplace.

EDUCATION

STI College Pasay-EDSA — Bachelor of Science in Information Technology
4th Year | OJT / Internship Requirement

TECHNICAL SKILLS

- Basic computer hardware troubleshooting and preventive maintenance
- Windows installation, configuration, and basic troubleshooting
- Basic knowledge of computer networking and network devices
- Cisco Packet Tracer for basic network setup and troubleshooting
- Basic command-line troubleshooting in Windows
- Microsoft Office and common productivity tools
- Basic website development knowledge
- Basic documentation, problem-solving, and technical communication

ACADEMIC / TECHNICAL PROJECTS

Networking Laboratory Activities — Cisco Packet Tracer

- Created basic network topologies using routers, switches, and end devices.
- Practiced IP addressing, connectivity testing, and basic network troubleshooting.

SamBuhay: A Desktop Experience Promoting Awareness of Endangered Philippine Wildlife

- Academic capstone project developed using Unity 3D.
- Worked with a team on game interaction, information presentation, testing, and documentation.
- Practiced teamwork, problem-solving, and project coordination.

RELEVANT COURSEWORK

Network Technology 2 • Information Assurance and Security • IT Service Management • Computer Graphics Programming • Game Development • IT Capstone Project

STRENGTHS

- Willing to learn and accept instructions from experienced IT staff
- Patient when troubleshooting technical problems
- Responsible with assigned tasks and documentation
- Able to work independently and as part of a team
- Interested in building a career in IT Support, Network Administration, and IT Infrastructure

TRAINING TOOLS

Cisco Packet Tracer • Windows • Microsoft Office • Unity 3D • AI tools
